Chapter 1

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 2

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 3

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 4

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 5

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 6

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 7

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 8

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 9

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 10

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 11

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 12

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 13

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 14

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 15

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 16

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 17

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 18

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 19

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 20

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 21

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 22

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 23

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 24

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 25

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 26

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 27

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 28

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 29

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 30

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 31

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 32

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 33

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 34

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 35

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 36

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 37

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 38

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 39

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

Chapter 40

1. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

2. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

3. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

4. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

5. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

6. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

7. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

8. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

9. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

10. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

11. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

12. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

13. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

14. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

15. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

16. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

17. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

18. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

19. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

20. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

21. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

22. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

23. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

24. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

25. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

26. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

27. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

28. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

29. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.

30. The committee reviewed procurement records for the fiscal period and noted variances in unit pricing across three suppliers.
